## ADDITIONAL EXPERIENCE

**Server**, Kanki Japanese House of Steaks and Sushi | Durham, NC **May 2023 – August 2023**  
Through serving, I developed strong skills in time management, teamwork, and critical thinking in a fast-paced, dynamic environment.

**Aided Draft & Design Intern**, Interlochen Center for the Arts | Interlochen, MI **June – August 2021**  
I assisted in the automation process of implementing CAD documents into a summer camp's existing GIS System. This experience taught me the importance of being thorough and communicative on a collaborative technology-based project.

## INVOLVEMENT

### **UNCW STEM Lab Peer Tutor**

- At my University's STEM Lab, I am constantly reinforcing my fundamental skills in Computer Science and software development.

### **UNCW Undergraduate Research**

- I took on a component of ongoing research in my department as a Directed Independent Study.
