COURSEWORK

Complete
Data Structures and Algorithms
Design & Analysis of Algorithms
Object-Oriented Programming
Software Engineering
Formal Languages and Computability
Web Development

Current
Ethical and Professional Issues in Computing
Scientific Computing

ADDITIONAL EXPERIENCE

Server, Kanki Japanese House of Steaks and Sushi | Durham, NC   **May 2023 – August 2023**
Through serving, I developed strong skills in time management, teamwork, and critical thinking in a fast-paced, dynamic environment.

Aided Draft & Design Intern, Interlochen Center for the Arts | Interlochen, MI **June – August 2021**
I assisted in the automation process of implementing CAD documents into a summer camp's existing GIS System. This experience taught me the importance of being thorough and communicative on a collaborative technology-based project.

CAMPUS INVOLVEMENT

UNC Pauper Players and Company Carolina: Actor
